Uneasy lies the head that used to wear a crown.

There will be a fervid spirit of thankfulness in the forthcoming Thanksgiving.

Having failed to hang together, the autocratic kings of Europe may yet hang separately.

A few months ago William Hohenzollern, then kaiser, solemnly declared at the outset of the great German drive: "Germany's hour has struck." He knew not how prophetically he was talking.

Von Hindenburg, the former kaiser's pet officer and always a man of the blood-and-iron stamp, seems to have followed the crowd and flopped from support of royalty to allegiance with the people. It was what might be called a "strategic retreat" (for which he is famous) in view of the fact that royalty is very much in disfavor in Germany at the present time. The people of Germany would do well, however, to watch Von Hindenburg, for his conversion to the cause of the people is too sudden to be very impressive. There is still a possibility that he has not entirely cut the ties which bind him to the former kaiser.

## Speeding Up Buying

The hands on the Christmas-buying clock have been set ahead so as to distribute equally the extra burdens placed upon all of us this year in doing a little more than our share of work in order to help our government.

Holiday stocks are complete assortments are at their best, and you can never choose so advantageously as now. Also bear in mind that if you expect to send a Christmas present to the boy "over there" you must mail it not later than Nov. 20. These suggestions will help you to decide what to send.

We've plenty of practical holiday gifts.

## RANDOLPH

Mrs. Hazel Eaton of Rochester was the guest of Mr. and Mrs. Alfred Eaton over Monday night, and Tuesday she went to Boston for a short stay with friends. Mrs. A. A. Priest went to Springfield, Mass., to spend a few days with her sister, who resides there, expecting also that other relatives would join her there. The ball at the Salisbury warehouse held on Monday night was very largely attended, there being more than one hundred couples present. The music was good and a general good time was enjoyed by all. The exact amount of the proceeds is not yet known, but it is expected that it will exceed \$120.

The house-to-house canvass was begun on Tuesday in the interest of the present drive, the town being divided into districts, and two persons assigned to each district.

Mr. and Mrs. C. M. Johnson have closed a visit of several days in Burlington and returned to their home here on Tuesday.

The deer hunters who have been active this week have not yet met with much success, and there has not been any reported at the present time. H. L. Hatch and Dr. Hayward returned on Tuesday, but without game.

Miss Inez Litchfield and Mrs. E. M. Woodworth went to Montpelier on Tuesday night to attend the Rebekah district meeting which was postponed from October on account of the quarantine for the influenza.

Miss Josie Sumner, after passing several months at her home, left for Montpelier on Tuesday to remain for a few days, while picking up her things there, and will return home for the winter.

Miss Jessie Morgan, who has been in Rochester since last Thursday, returned here Tuesday to remain for the present with Mrs. S. C. Gabrielle, who will soon occupy her house, out of which Dr. Stearns will soon move to his farm.

Storrs Clough, a sailor of the navy, who has been in town with relatives on a short leave of absence, left for Broken, N. J., on Tuesday. Mr. Storrs, who has been on one of the transports during the war, expects to be called overseas in the near future.

Frank Bacon is now about finishing the work at the cannery factory for the season and expects to close it up in about two weeks. He will then seek other employment for the winter.

Mrs. Demeritt, who has been ill at the sanatorium for several weeks with pneumonia, has been moved to her home in Waterbury somewhat improved, but yet in a weakened condition and able to be up only a part of the time.

The proceeds of the Victory ball were \$144.20, and these were to be given over to the fund now being solicited. Another ball is to be given in about two weeks, the Thanksgiving ball, at the warehouse of the Salisbury firm, when a fine orchestra will insure another large crowd. It has been advertised that the proceeds of the next dance were to be devoted to Red Cross work. During the time of the war, a large amount of money has been raised in this manner through the generosity of the firm, and the willingness of the people to assist in this work.

Mrs. Joseph Brown, who has been at the inn for several months, where she had employment, left on Wednesday for Montpelier, where she will pass several weeks with her daughter, Mrs. James Mullaly, after which she will go to Massachusetts to pass the winter with her grandson, John Ripley.

Mr. and Mrs. Ed. Hatch, who went to Enfield, N. H., for employment, returned home on Wednesday, after only a few days' stay.

Rev. L. O. Sherburne of Montpelier was in town on Wednesday for a brief visit with friends, and also to attend to business.

Mrs. White, who has been passing the summer with her daughter and husband, Supt. and Mrs. G. W. Patterson, left on Wednesday for Rochester, N. Y., where she will pass the winter with another daughter.

Successful deer hunters are few this week, although there are many out after the game. Only one deer has, it is understood, been killed, Will Little having been fortunate enough to get one.

## Walk-Over SHOES

These Are Days of So Many More Steps

Here is a shoe to help women. It has been called "The Army Shoe for American Women." But army shoes can't have the graceful lines of shoes designed for the smaller feet of women. We prefer to call it an occupation-shoe—a get-things-done shoe, aidful to our volunteer women-workers in the numerous ways they keep busy for their country.

It has a restful street-arch, an attractive toe, and a military heel. A serviceable heel makes every step less tiring in these days of so many more steps. Let us show you how well it looks on your foot.

The name Walk-Over means good shoes the world over.

## Mr. Motorist:

As a war-time necessity, you should take extra care of your Storage Battery.

No man can say with certainty what supplies will be available next spring; so, if you are not going to use your car during the winter, place your battery in reliable hands for well keeping.

Come in and let us explain to you our system of Dry Storage by which all chemical action is suspended.

In other words, your Battery sleeps during the winter months, to awaken fresh and vigorous in the spring, when you need it.

The price is very reasonable, based upon the size of your Battery.

All makes of Batteries repaired and work guaranteed.
